# Strategic Change Management Department: Performance Summary

## Essex Police Performance Summary: April 2013 – February 2014

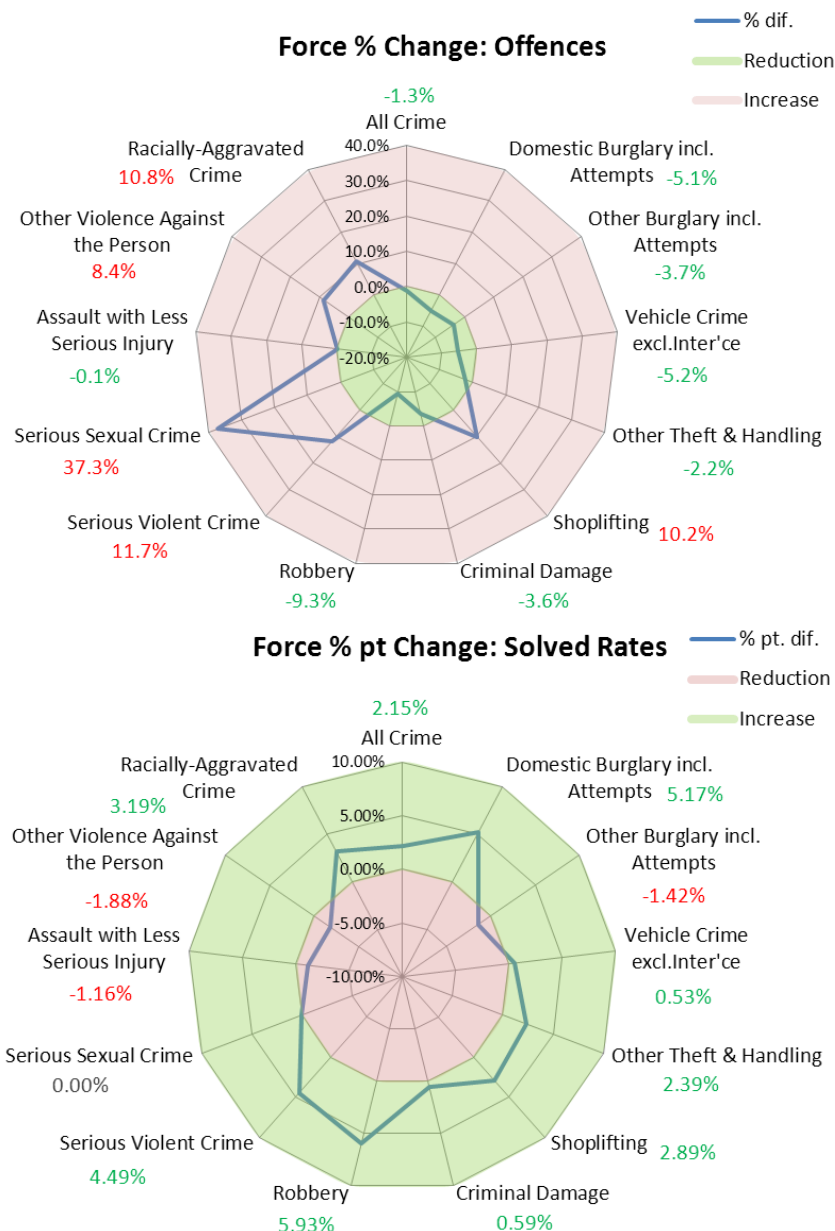

### 1. Introduction

This performance summary is designed to pictorially represent how individual districts are performing within each crime type.

The report includes:

- Charts to show the % difference in offences, and the % point difference in solved rates, in each crime type at force level, between the two periods;
- Charts to show the cumulative number of offences in each district each year, for the specified crime type, with the % difference between the two periods labelled;
- Charts to show the cumulative solved rates in each district in each year, for the specified crime, with the % point difference between the two periods labelled;
- Tables of data relating to both of the above.
