# Corporate Services: Performance Summary

## Essex Police Performance Summary: To May 2015

### 1. Introduction

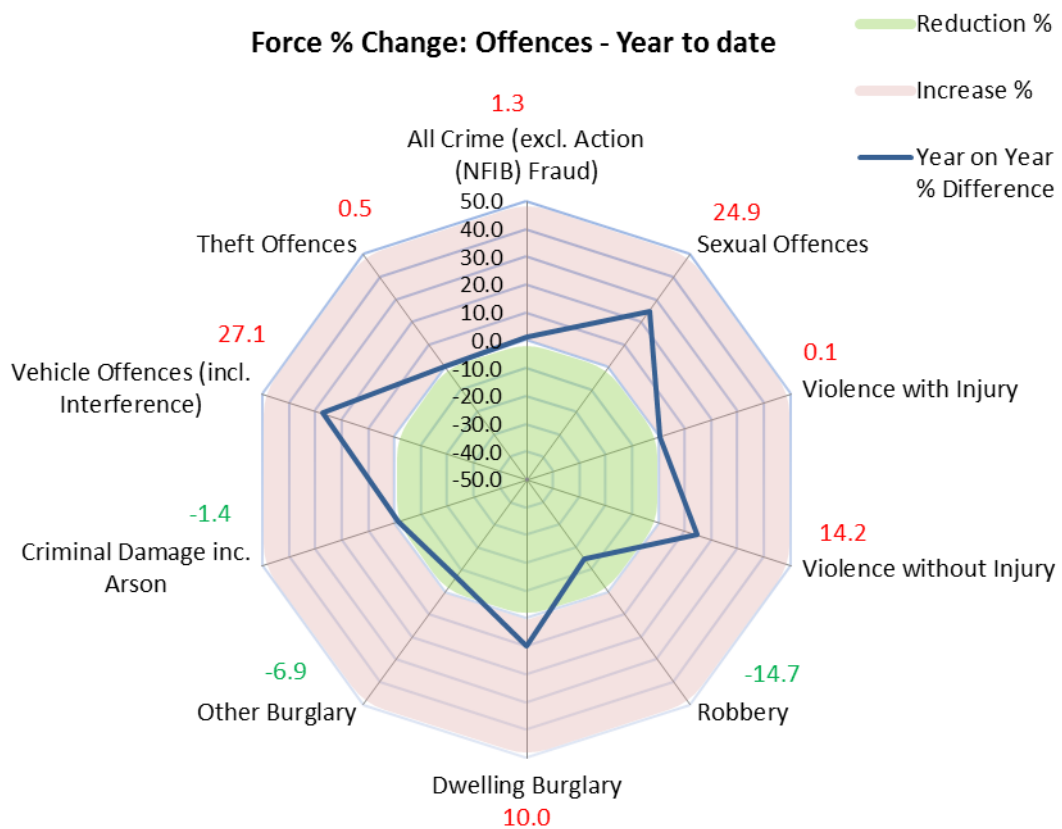

This performance summary is designed to pictorially represent how individual districts are performing within each crime type.

The report includes:

- Charts to show the cumulative number of offences in each district each year, for the specified crime type, with the % difference between the two periods labelled
- Tables of data relating to both of the above

*No solved rates have been included in this report, as May 2015 data appears unusually low. We are seeking to establish the cause and resolve it.*
