Essex Police Performance Summary: To May 2016

1. Introduction

This document sets out a summary of performance, across a range of crime types, at Force and District level.

Please note that the year to date and radar charts have not been included in this pack. This is due to a change in processes in April 2015 which temporarily resulted in lower than expected crime numbers in April 2015. Work was undertaken throughout May 2015 to address these issues and to record all crimes reported. The year to date and radar charts will be provided again in the pack which reports data to July 2016.
