## Corporate Services: Performance Summary Essex Police Performance Summary: To April 2016

### 1. Introduction

This performance summary is designed to pictorially represent how individual districts are performing within each crime type.

But due to the introduction of ATHENA in April 2015 there were significant data quality recording issues. As such the year to date and the radar charts will not be provided until July.

*Solved Rate: Essex Police could potentially still be under-extracting the number of crimes that have been solved.*
