<b>Report by</b> Greg Myddelton	
<b>Enquiries to</b> Greg Myddelton (greg.myddelton@essex.pnn.police.uk)	

**1. Purpose of report**

- 1.1. To seek approval for the allocation of £9,880 in the form of a crime and disorder reduction grant from the CSDF to Michael Thorpe Drug Alcohol Addiction Consultancy (MTDAAC), whose activities will contribute to the priorities set out in the Police and Crime Plan for Essex.

**2. Recommendations**

- 2.1. Approve the allocation of the CSDF grant to MTDAAC to run a breakfast group in Southend aimed at supporting vulnerable individuals, including those involved in the Integrated Offender Management scheme.

**3. Benefits of Proposal**

- 3.1. This project involves the delivery of a twelve-week, two-hour duration breakfast group programme designed for vulnerable people including hard-to-reach offenders whose crimes are alcohol and drug-related.
- 3.2. Attending this programme offers offenders the opportunity to facilitate change; reducing and/or stopping alcohol and drug-use and risky behaviour and criminal activity.

**4. Background and proposal**

- 4.1. Essex CRC have identified this initiative as having successfully engaged offenders that have failed to interact with other interventions and states that participation in this group has had a considerable impact on the most prolific offenders within the IOM cohort, and their propensity to offend. CRC also stated that attendance is exemplary, and once through the door offenders are

often much more receptive to working with other programmes, such as Therapy for You, or are more willing to engage more actively with Police and Probation.

4.2. This bid will provide sufficient funding to allow the course to run until end-March 2016.

**5. Police and Crime Plan**

5.1 Supports priorities in the Police and Crime Plan as follows;

- Tackling the consequences of alcohol and drug abuse and mental health issues
- Increasing efficiency in policing through collaborative working and innovation
- Reducing all types of re-offending
- Improving crime prevention
- Ensuring local solutions meet local problems

**6. Police Operational Implications**
