Essex Police: Performance Summary To December 2018

1. Introduction

This performance summary is designed to provide an understanding of how individual districts are performing within each crime type. The report includes tables of data relating to cumulative and rolling 12 month figures for each district.

Cumulative or Year to Date (YTD) summaries use a data period of April until the latest month of data. For example, for YTD to the end of September, this would be April – September. Please note, Year to Date tables will not be included at the start of the financial year until there is a 3 month period to use.

12 month rolling data relates to data in a 12 month period ending at the last day of latest month of data. For example, 1st May 2016 – 30th April 2017. This rolling period moves on for every new data month.
