Date of report: 13 March 2019

1. Purpose of report

- 1.1. To seek approval for the allocation of £117,017 pass-through funding from Essex County Council and Southend-on-Sea Borough Council to The Change Project.

2. Recommendations

- 2.1. To seek approval to allocate £117,017 of partner pass-through funding to The Change Project for the Columbus project. This funding supplements the PFCC's own £120,000 contribution.

3. Benefits of Proposal

- 3.1. The Columbus perpetrator programme is a project that will provide dedicated perpetrator workers to the Southend and Essex Multi-Agency Risk Assessment Conferences (MARACs). These workers will attend MARAC meetings in order to bring expert advice and resource to disrupt and, where appropriate, support perpetrators to change their behaviour.
- 3.2. In addition to attending MARAC meetings, DA perpetrator workers will hold a caseload and work directly with perpetrators, including, where appropriate, delivering behaviour-change work through Respect-accredited interventions.
- 3.3. This project will build on the positive results of the DRIVE domestic abuse perpetrator pilot. It will enable the engagement of DA perpetrators with a view to changing their offending behaviour, reducing reoffending, and reducing the potential of harm for victims of domestic abuse.

4. Background and proposal

- 4.1. This project follows-on from the DRIVE pilot project which concludes in March 2019. The DRIVE was a three-year pilot that aimed to develop and evaluate a new approach to hold perpetrators of domestic abuse to account in order to keep domestic abuse victims and children safe.
- 4.2. This proposal has been presented to, and has the backing of the Essex Domestic Abuse Commissioning Group and Strategic Board.
- 4.3. The Drive Project in Essex has been piloted in Colchester and Tendring and concludes in March 2019. The Columbus project will run for an initial period of 1 year and will extend coverage to the whole of Essex and Southend (excluding Thurrock).
- 4.4. This partner funding supplements the PFCC's contribution of £120,000 (agreed under decision 189/18) to provide the full £237,017 funding required to deliver the project for a year. Essex County Council is providing £100,000 funding and Southend-on-Sea BC will contribute £17,017. Both partners are allocating the funding to the PFCC who will transfer in full to the Change Project.

5. Police and Crime Plan

- 5.1. This project will support the priority to break the cycle of domestic abuse and will keep children and vulnerable people safe from harm.

6. Police Operational Implications

- 6.1. No direct operational implications on Essex Police

7. Financial Implications

- 7.1. OPFCC will receive £100,000 from Essex County Council and £17,017 from Southend-on-Sea Borough Council. This funding will be passed onto the Change Project via a one-off grant. This partner funding supplements the £120,000 funding from the PFCC's 2019-20 Community Safety Fund for the Columbus project.

8. Legal Implications

- 8.1. The grant will be subject to the same funding agreement as the PFCC's funding.

9. Staffing and other resource implications

- 9.1. Employment of staff or sessional workers will be the responsibility of The Change Project. No liabilities will be placed on the PFCC or other funders as a result of this grant funding.
