RECOMMENDATIONS

That the Performance and Resources Board note the attached report in Appendix 1.

BACKGROUND

The Board has been established as the Local Pension Board for Essex Police, Fire and Crime Commissioner Fire & Rescue Authority in accordance with section 5 of the Public Service Pension Act 2013 and the Firefighters' Pension Scheme (Amendment) (Governance) Regulations 2015.

Production of an annual report, which sets out the actions and training undertaken by the Board in its role to '*assist the scheme manager*', is considered by the Pensions Regulator to be good practice.
