

COVID-19 Extraordinary Ministry of Justice Funding for Domestic and Sexual Violence and Abuse Support Services

This funding will cover contingency funding needs from 24th March to 31st October 2020. Funding may be used to cover both incurred and anticipated additional costs due to the COVID-19 pandemic.

To be eligible for the funding, organisations must be a registered charity, a charitable incorporated organisation, or a social enterprise, including companies limited by guarantee and community interest companies. They must provide support services which have the purpose of helping victims of crime cope with the impacts of crime, and, as far as possible, recover from the harm they have experienced.

If you are also applying for funding from other government departments please ensure there is no overlap in the requests made.

Please return your completed template to kirsty.smith@essex.police.uk by **CoP on 1st June 2020**. Templates received after this date will not be eligible due to the need to allocate funding promptly with all providers.

Instructions

'Criteria Checklist' tab - This is eligibility criteria. Please answer all questions on this page. Please make sure contact details are accurate

'Non Commissioned Services' Tab - Please outline your services and the impact of COVID answering the questions as best you can on this tab.
Please utilise the additional comments box on anything you wish to add about your services and the impact COVID has had

'Costs' tab - Costs should be divided into those already incurred from 24 March 2020 up to the end of April 2020 (Table 1), e.g. costs associated with moving to digital service provision, and future costs that you anticipate incurring between now and the end of September 2020 (Table 2). We appreciate that anticipated costs will only be an estimate.
Please breakdown costs with as much detail as is reasonably practicable and add extra lines to the table as required.

Assessment Criteria

Applications will be assessed by the PFCC and be reviewed upon
- financial impact of COVID
- evidence of need/demand
- impact to victims of crime
