

## PFCC Decision Report

**Please ensure all sections below are completed**

**Report reference number:** 109-21

**Classification:** Not protectively marked

**Title of report:** Phase 4 of the Essex 'V&V Joint Budget' funding 2021/22

**Area of county / stakeholders affected:** Countywide

**Report by:** Samantha Grant

**Date of report:** 22<sup>nd</sup> July 2021

**Enquiries to:** samantha.grant@essex.police.uk

### 1. Purpose of the report

- 1.1. To approve the allocation of **£152,579** from the Essex 'Violence and Vulnerability Joint Budget' to the organisations detailed in section 4.1 below for delivery against the objectives set out in the Essex V&V Work Programme 2021/22.

### 2. Recommendations

- 2.1. Approve the allocation of **£152,579** to support partner organisations to deliver against the priorities within the Essex Violence and Vulnerability Work Programme 2021/22.

### 3. Benefits of the proposal

- 3.1. This funding will enable local partners across Essex to have a positive impact on issues relating to violence and vulnerability, including gangs, 'county lines' and child criminal exploitation.
- 3.2. This funding supports organisations to deliver on their areas of work outlined in the Essex Violence and Vulnerability Framework (2018) and agreed by the V&V leadership group, the V&V Round Table, to reduce serious violence and safeguard those being exploited and at risk of exploitation through gangs and 'county lines'.
- 3.3. The funding allocations have been developed and agreed by the PFCC and key strategic partners.

### 4. Background and proposal

- 4.1. The PFCC will provide the following funding allocations;

	[REDACTED]	
Harlow Rainbow	Rainbow working with Harlow Community Safety Partnership working with identified young people at risk of exclusion or on the boundaries of crime. [REDACTED]	£15,000
ATF Southend	ATF working with Tendring Community Safety Partnership to deliver a Community Development Project which comprises a 6-step programme customised for targeted cohorts of young people [REDACTED]	£20,000
	<b>TOTAL:</b>	<b>£152,579</b>

**5. Alternative options considered and rejected**

5.1. The PFCC could opt not to allocate this funding, but that would reduce the likelihood of the V&V Partnership delivering on its work programme and the PFCC delivering on the Police and Crime Plan.

5.2. The PFCC could also allocate the funds in a different way though this would not align with the agreed programme as set out by the V&V Partnership and informed by the analysis and expertise of the Partnership.

**6. Police and Crime Plan**

6.1. This funding will enable partner organisations to support the priorities within the Police and Crime Plan, including protecting children and vulnerable people from harm and tackling gangs and serious violence.

**7. Police operational implications**

7.1. Essex Police is well engaged with this programme at a strategic and operational level.

**8. Financial implications**

8.1. The PFCC will allocate one-off grants to the value of **£152,579** from the 2021/22 Essex 'Violence and Vulnerability Joint Budget' to the range of organisations as

outlined in section 4.1 above. This funding will be subject to the PFCC's standard funding agreement.

8.2. This joint budget is made up of funding the PFCC receives from the Home Office of £1,160,000 Violence Reduction Unit (VRU) funding, a contribution from Essex County Council (£500,000) and investment from the PFCC's Community Safety Fund (£200,000).

8.3. This is the fourth tranche of funding from this combined 'Violence and Vulnerability Joint Budget' in 2021/22 to transfer funding to local delivery partners. Previous decision reports for this funding are included in section 15 46/21 (tranche 1), 78/21 (tranche 2), and 103/21 (tranche 3)

## **9. Legal implications**

9.1. This funding will be subject to the PFCC's standard grant conditions

## **10. Staffing implications**

10.1. Employment of staff or sessional workers will be the responsibility of the relevant delivery organisation. No liability for the continuation of roles will be placed on the PFCC or other funders because of this grant funding.

## **11. Equality and Diversity implications**

11.1. For the activities outlined in section 4.1, we recognise that they support and are accessible to all protected characteristics but are most likely to be targeted to young people who are profiled as being those most likely to be impacted by issues relating to county lines and gangs.

11.2. For the interventions, monitoring arrangements are in place for these funds including the requirement to report on the number of vulnerable children and young adults supported as well as steps taken to ensure offers of support are as accessible as possible.

11.3. Most of the organisations listed in the table in 4.1 are subject to the public sector equality duty and will be required to consider the impact of the delivery of their activities on those with protected characteristics.

## **12. Risks**

12.1. All services identified in section 4.1 have demonstrated the need and the requirement for this funding. As this is short-term funding there is a risk that it is not utilised this year meaning funding would have to be returned to contributors and opportunities to make progress against the Police and Crime Plan and V&V work programme may be missed. This is mitigated by formal funding agreements, and by ensuring organisations are aware of the restrictions on funding and can deliver against these.

## **13. Governance Boards**

13.1. This funding covers a range of agencies and is discussed at various partnership boards, including the Violence and Vulnerability (V&V) Round Table, and V&V Operations Board as well as internal PFCC meetings. The overall approach to the Essex 2021/22 Violence and Vulnerability Work Programme has been signed-off by the Round Table. The Round Table considered the overall approach and key areas within the 21/22 V&V Work Programme at their

meetings on 18<sup>th</sup> January and 25<sup>th</sup> March 2021 and signed off the plan on 20<sup>th</sup> May 2021.

The 2021/22 V&V Work Programme has been developed by the V&V Operations Board, including through discussions at meetings on 9<sup>th</sup> February 2021 and 16<sup>th</sup> April 2021.

The V&V Operations Board has responsibility for ensuring oversight of delivery of 2021/22 V&V Work Programme and appropriate reporting of progress to the V&V Round Table.
