To all Chief Fire Officers, Chief Executives and London Fire Commissioner

FIRE REVENUE GRANT and NEW DIMENSION GRANT FOR FY 2021-22

I am writing to you regarding the payment of two grants for Financial Year (FY) 2021-22, both under Section 31 of the *Local Government Act 2003*.

- the New Dimensions Grant
- the Firelink Grant

I apologise for the delay in issue of these grants. I am writing to confirm that you will receive the first quarter funding later this month as well as individual letters setting out the grant determinations with the appropriate funding allocations to fire and rescue authorities.

In the meantime, the allocations for both these grants for the financial year 2021-22 are set out in the tables at Annex A and Annex B. The grants will be paid in four quarterly payments: the first this month and then in September and November 2021 and February 2022.

If you have any questions on the Fire and Rescue New Dimension grant, please contact Andrew Gough on email: Andrew.Gough1@homeoffice.gov.uk).

I am copying this letter to the Chair of your Fire and Rescue Authority and Finance Officers.

Yours sincerely

Sarah Gawley
