

Essex County  
Fire & Rescue Service

Coverage focuses on **station ground level availability**, regardless of what pumping appliances are available within the ground. It takes into account standbys.

**Only one pump is needed to be available.**

Coverage is shown for all station grounds, but the focus for the key performance indicator is on availability at **core stations (highlighted in green)** that were previously referred to as key and strategic stations.

### Core Station Coverage September 2021

Essex County Fire and Rescue Service  
Kelvedon Park, Rivenhall  
Witham, Essex
