5. Alternative options considered and rejected

- 5.1. The PFCC could opt not to allocate this funding, but that would reduce the likelihood of the V&V Partnership delivering on its work programme and the PFCC delivering on the Police and Crime Plan.
- 5.2. The PFCC could also allocate the funds in a different way though this would not align with the agreed programme as set out by the V&V Partnership and informed by the analysis and expertise of the Partnership.

6. Police and Crime Plan

6.1. This funding will enable partner organisations to support the priorities within the Police and Crime Plan, including crime prevention, reducing drug-driven violence, and protecting vulnerable people from gangs while we deal with the hardened criminals who prey on them.

7. Police operational implications

7.1. Essex Police is well engaged with this programme at a strategic and operational level.

8. Financial implications

- 8.1. The PFCC will allocate one-off grants to the value of £98,170 from the 2021/22 Essex 'Violence and Vulnerability Joint Budget' to the range of organisations as outlined in section 4.1 above. This funding will be subject to the PFCC's standard funding agreements.
- 8.2. This joint budget is made up of funding the PFCC receives from the Home Office of £1,160,000 Violence Reduction Unit (VRU) funding, a contribution from Essex County Council (£500,000) and investment from the PFCC's Community Safety Fund (£200,000).
- 8.3. This is the seventh tranche of funding from this combined 'Violence and Vulnerability Joint Budget' in 2021/22 to transfer funding to local delivery partners.

9. Legal implications

9.1. No legal implications

10. Staffing implications

10.1. Employment of staff or sessional workers will be the responsibility of the relevant delivery organisation. No liability for the continuation of roles will be placed on the PFCC or other funders because of this grant funding.

11. Equality and Diversity implications

- 11.1. For the activities outlined in section 4.1, we recognise that they support and are accessible to all protected characteristics but are most likely to be targeted to young people who are profiled as being those most likely to be impacted by issues relating to county lines and gangs.
- 11.2. For the interventions, monitoring arrangements for these funds include the requirement to report on the number of vulnerable children and young adults supported as well as steps taken to ensure offers of support are as accessible as possible.
- 11.3. Most of the organisations listed in the table in 4.1 are subject to the public sector equality duty and will be required to consider the impact of the delivery of their activities on those with protected characteristics.

12. Risks

12.1. All services identified in section 4.1 have demonstrated the need and the requirement for this funding. As this is short-term funding there is a risk that it is not utilised this financial year meaning funding would have to be returned to contributors and opportunities to make progress against the Police and Crime Plan and V&V work programme may be missed. This is mitigated by formal funding agreements, and by ensuring organisations are aware of the restrictions on funding and can deliver against these.

13. Governance Boards

- 13.1. This funding covers a range of agencies and is discussed at various partnership boards, including the Violence and Vulnerability (V&V) Round Table, and V&V Operations Board as well as internal PFCC meetings. The overall approach to the Essex 2021/22 Violence and Vulnerability Work Programme has been signed-off by the Round Table. The Round Table considered the overall approach and key areas within the 21/22 V&V Work Programme at their meetings on 18th January and 25th March 2021 and signed off the plan on 20th May 2021.
- 13.2. The 2021/22 V&V Work Programme has been developed by the V&V Operations Board, including through discussions at meetings on 9th February 2021 and 16th April 2021.
- 13.3. The V&V Operations Board has responsibility for ensuring oversight of delivery of 2021/22 V&V Work Programme and appropriate reporting of progress to the V&V Round Table.
