1. Purpose of the report

This statement 2022-23 sets out the Authority's position in relation to its approach to pay in accordance with the requirements of the Localism Act 2011 section 38.

2. Recommendations

That the PFCC approves the Pay Policy Statement 2022-2023 attached as Appendix A. This must be prepared for each financial year and approved by the Authority. Upon approval by the Authority, the statement will be published on the Service's website.

3. Benefits of the proposal

The paper sets out the Authority's own policies towards a range of issues relating to the pay of its workforce, particularly its senior staff and its lowest paid employees.

4. Background and proposal

The Pay Policy Statement is published annually in line with the requirements of the Localism Act 2011, section 38.

5. Alternative options considered and rejected

The recommendation is made to fulfil a statutory requirement. The alternative would be not providing a Pay Policy Statement and failing to comply with the statutory requirement, this is not considered a viable alternative.

6. Strategic priorities

Be transparent, open, and accessible – it is essential that the Authority's approach to pay, as set out in the Pay Policy Statement, is accessible for all taxpayers to take an informed view of whether local decisions on all aspects of remuneration are fair and make best use of public funds. Approved statements must be published on the Authority's website.

7. Operational implications

No operational implications associated with this paper.

8. Financial implications

There are no direct financial implications resulting from the publication of the pay policy statement. Contained within the statement, is a disclosure of the number of employees in the who receive pay in excess of £50,000. The information disclosed is based on incremental bands of £10,000, with the appropriate job titles being reflected in each banding.

9. Legal implications

The Commissioner must agree a Pay Policy Statement and publish by the end of March each year.

10. Staffing implications

In determining the pay and remuneration of its employees, the Authority will comply with all relevant employment legislation. This includes the Equality Act 2021, Part Time Employment (Prevention of Less Favourable Treatment) Regulations 2000, The Agency Workers Regulations 2010 and where relevant, the Transfer of Undertakings (Protection of Earnings) Regulations.

11. Equality and Diversity implications

There are no equality and diversity implications associated with this paper.

We have considered whether individuals with protected characteristics will be disadvantaged as a consequence of the actions being taken. Due regard has also been given to whether there is impact on each of the following protected groups as defined within the Equality Act 2010:
