Workshops

Workshop 1 - GRIP & Serious Violence - focus on the preventative and informed operational work being carried out to combat serious violence in society.

Workshop 2 - Road Safety Vision Zero – interactive workshop that identifies the work being done to reduce deaths on Essex roads to zero by 2040.

Workshop 3 - Reducing Reoffending - Horizons Project – delivered by the Changing Futures Project which will give examples of case study and what impact it's having on individuals through the journey of the individual.

Workshop 4 - Safer Streets Funding – how the projects in Chelmsford and Thurrock successfully bid for the funding and the projects that are making our streets safer for women and girls.

Workshop 5 – Domestic Abuse

Workshop 6 – Gender as a hate crime – look at the developing work that Essex Police are doing in this area

Workshop 7 – Using data to prevent incidents and support the vulnerable.
