Re: Forensic Collision Investigation Network (FCIN) Amended Section 22 Agreement

Dear Police and Crime Commissioner

I am pleased to attach an amended version of the section 22 Agreement that has been drafted to reflect the new delivery model of the Forensic Collision Investigation Network.

There has been a consultation period, and feedback has been incorporated into this agreement. It is challenging to incorporate all the feedback when there may be competing views, and the approach has been to reflect the views of the majority.

I should be grateful if you could sign and return this document via email to info@fcin.police.uk by 30th April 2023.

Regional FCIN Account Managers will be available to answer any questions that you may have regarding the amended Agreement. You can always contact Jason Devonport Programme Director regarding Delivery and Programme plans for FCIN at jason.devonport@north-wales.police.uk

Yours sincerely

Richard Debicki
