Scheme Name: Police Officer Maintenance

Scheme Reference: 683

Scheme Description: The Authority is providing the Grant to enable access to funding, to assist in the maintenance of officer numbers at their baseline plus full uplift allocation as fully detailed in Schedule 1 (the "**Purpose**").

Introduction

- 1.1. The Authority is exercising the power conferred to it by Section 169 of the Criminal Justice and Public Order Act 1994 to make awards of grant funding.
- 1.2. This agreement (the "**Grant Agreement**") sets out the legally binding terms and conditions which apply to the Authority providing the Grant and to the Recipient receiving the Grant. It consists of twenty-five (25) Clauses, six (6) Schedules and seven (7) Annexes.

For example, where the Purpose is delivered in Wales, whether wholly or partially, it must be provided in such a way as to not treat the Welsh language less favourably than

applicable Law for the time being in force (so far as binding on the Recipient and/or the Delivery Partner).

- 10.3. Where the Grant will be disbursed outside the United Kingdom the Recipient shall use its best endeavours to ensure that such funding:

 - b. is not used to support activities which could bring the Authority's name into disrepute.
- 10.4. The Recipient shall ensure that it, and any Delivery Partner, has relevant organisational policies in place to deliver the Purpose. These should cover, but not be limited to: whistleblowing; safeguarding; diversity and equality; environmental; data protection; and information security recruitment; staff welfare; staff vetting; and modern slavery, and shall remain current for the duration of the Funding Period and be reviewed regularly by appropriately senior Staff and confirmed by the Police and Crime Commissioner for Essex. - 10.5. On request from the Authority, the Recipient will provide the Authority with all such relevant documents and information relating to the Recipient's organisational policies and procedures as the Authority may reasonably require.
- 10.6. The Recipient shall take all reasonable steps to ensure that it and anyone acting on its behalf do not bring the Authority or the Purpose into disrepute for instance by reason of prejudicing the Purpose and/or being contrary to the interests of the Authority.
- 10.7. In particular, the Authority has a zero-tolerance approach towards sexual exploitation, abuse and all forms of bullying, harassment and discrimination, especially for those who have a protected characteristic under the Equality Act 2010 (sexual orientation, race, religion, age, disability, sex, gender reassignment, marriage/civil partnerships and maternity / pregnancy) as well as gender identity. The Recipient will immediately contact the Grant Sponsor to report any credible suspicions, or actual incidents, of sexual exploitation, abuse, bullying, harassment or discrimination related to this Grant Agreement or which would be of significant impact to the Authority or other Crown Body. For example, any event that affects the governance or culture of the Recipient, such as those related to senior management, must be reported.

 - b. inform the Authority of these details including, but not necessarily limited to, the source, value, scope, nature and any conditions of the Supplementary Funding.
- 10.11. Following receipt of information in accordance with Clause 10.10, the Authority shall, at its sole discretion, confirm In Writing whether the use of the Supplementary Funding for the Purpose is acceptable to it. In instances where the Authority does not agree that the Supplementary Funding can be used, for example by reason of prejudicing or conflicting with the Purpose and/or being contrary to the interests of the Authority, the Recipient must confirm In Writing (i) what it intends to do with the Supplementary Funding, and (ii) that it will not use the Supplementary Funding to deliver the Purpose.
- 10.12. The Recipient agrees and accepts that it may become ineligible for grant support and be required to repay all or part of the Grant – not limited to any Unspent Monies – if it engages in tax evasion or aggressive tax avoidance in the opinion of HMRC.

- 11.4. If the Recipient has any grounds for suspecting financial irregularity in the use of any Grant paid under this Grant Agreement, it must notify the Grant Sponsor immediately, explain what steps are being taken to investigate the suspicion, and keep the Grant Sponsor informed about the progress of the investigation.
- 11.5. In the event that a notification is received in accordance with clause 11.4, the Grant Sponsor will ensure that the Authority's Counter-Fraud

- 11.7. The Recipient must pro-actively identify, itemise and assess how it and the use of the Grant might be vulnerable to fraud⁶. Fraud should always be considered as a risk and reported on as required in Schedule 3 (Risk Management or Ad-hoc reporting).
- 11.8. The Recipient agrees that it will not apply for or obtain, and will assure that any Beneficiary, or Delivery Partner, is not in receipt of or does not apply for or themselves obtain, Duplicate Funding. - 11.9. The Recipient shall not offer or give, or agree to give, to the Authority or any other public body or any person employed by or on behalf of the Authority or any other public body any gift or consideration of any kind as an inducement or reward for doing, refraining from doing, or for having done or refrained from doing, any act in relation to the obtaining or execution of the Grant Agreement or any other contract with the Authority or any other public body, or for showing or refraining from showing favour or disfavour to any person in relation to the Grant Agreement or any such contract.

For example, some degree of advertising appropriate to the scale of the proposed expenditure is likely to be necessary to demonstrate transparency. This is in line with the UK objective of achieving Value for Money for the taxpayer.
- 12.2. Prior to the award of onward funding or a contract or other legal form of agreement to a Delivery Partner, the Recipient shall ensure that it carries out a thorough and proportionate documented due diligence process to understand an organisation’s financial status, viability and capability; technical skills and capacity; operational and commercial processes and procedures; background and history (fraud risk, money laundering, terrorism, modern slavery etc); and ensure the payment does not represent Duplicate Funding or Grant Fraud.

- 12.7. SCHEDULE 1 – THE PURPOSE

The Scheme

- 1.1 This Schedule 1 describes the outcomes and impacts the Authority is seeking to achieve through this Grant funding. The Authority is providing the Grant to support the Recipient to maintain officer headcount at the level of force PUP baseline plus allocation of additional PUP officers and allocation of Batch 1 additional recruitment officers from FY23/24. This supports the Government commitment to ensuring the number of police officers are maintained at the increased level, as set out in the Police Settlement for 24/25.

Background

- 1.2 The first duty of the government is to keep citizens safe and the country secure. The Home Office has been at the front line of this endeavour since 1782. As such, the Home Office plays a fundamental role in the security and economic prosperity of the United Kingdom.
- 1.3 The Home Office is the lead government department for immigration and passports, drugs policy, crime, fire, counter-terrorism and police.
- 1.4 The Authority is responsible for reducing and preventing crime and ensuring people feel safe in their homes and communities, as well as supporting visible, responsible and accountable policing by empowering the public and freeing up the police to fight crime.
- 1.5 The Government met its commitment to recruit an additional 20,000 police officers by March 2023. The majority of funding for these officers is paid to Police and Crime Commissioners without condition, with ringfenced funding of £357.8m held back to ensure forces work to maintain their officer headcount in 2024/25. This Grant Agreement administers all of the ringfenced funding, and will be provided to forces in arrears based on headcount of officer numbers being maintained at 30th September 2024 and 31st March 2025.
- 1.6 This Grant is paid to the Recipient in exercise of the power conferred upon the Secretary of State for the Home Department under Section 169 of the Criminal Justice and Public Order Act 1994 to provide financial support to prevent crime or reduce the fear of crime.

- 1.7 The Purpose provides a broad well defined framework describing the outcomes and impacts that the Funding is intended to achieve whilst allowing the Recipient to exercise independent discretion in delivering the inputs and outputs detailed in its Delivery Proposal (Annex D).

Key Deliverables

- 1.8 The purpose of the Grant is to enable the Grant Recipient to maintain officer numbers at the agreed level to support national maintenance in 2024/25 of the 20,000 additional police officers in England and Wales recruited through the Police Uplift Programme. This will contribute towards crime prevention and public protection. Funding will be paid provided that the Grant Recipient can evidence that funding has been used to maintain officer numbers (at the level referenced in Schedule 2).

Ringfenced grant funding relates to the maintenance of an officer headcount as set out the Police Funding Settlement. The recruitment of officers in excess of the maintenance headcount, as defined in this agreement, will need to be funded through alternative income streams or local budget management.

Ineligible Expenditure is listed in Annex E.

Extenuating circumstances will be taken into consideration on a case by case basis.

Key Roles and Responsibilities

- 1.9 The Authority will nominate a Grant Sponsor who will work with the Scheme Manager to monitor the delivery of the agreed Purpose and act as the principal point of contact. Their name and contact details are recorded in Annex C.
- 1.10 The Recipient will nominate a Scheme Manager who shall have responsibility for ensuring delivery of the Purpose to achieve the outcomes and impacts. They shall act as the Authority's principal point of contact, and their details shall be recorded in Annex C.

- 1.11 The maximum Grant Amount payable by the Authority to the Recipient under the terms of this Grant Agreement shall not be more than Nine Million, Five Hundred and Fifty Three Thousand, One Hundred and Forty Seven Pounds (£9,553,147) in GBP (£) Sterling for the Funding Period.
- 1.12 The Grant will be paid in accordance with the profile described in Schedule 2 and are intended pay for the activities required to achieve the outcomes described in this Schedule 1.

Dear [Insert PCC Name]

POLICE OFFICER MAINTENANCE GRANT AGREEMENT FOR 2024/25

In my role as sponsor for the Police Officer Maintenance Grant for 2024/25 I am writing to provide you with the grant agreement documentation for your signature.

The enclosed grant agreement is a twelve-month funding arrangement. It provides access to the ringfenced officer maintenance grant, allocated at the Police Funding Settlement for 2024/25, for the maintenance of your officer numbers. Maintenance here is defined as your force's PUP baseline, plus uplift allocation of officers, plus share of the 2023/24 Batch 1 additional recruitment allocation where appropriate.

The maintenance grant will be split evenly over the year and paid according to officer headcount at 30 September 2024, and 31 March 2025. Funding will be released at February and August 2025, following the publication of police workforce data for 30 September and 31 March respectively.

If your force is below its officer maintenance headcount at either point (September or March), then the Home Office will withhold £40,000 per officer below the maintenance level at that point. The figure of £40,000 per officer will be withheld up to a threshold of 30 officers or 1.5% of total officer headcount (PUP baseline plus uplift allocation and share of the 2023/24 batch 1 additional recruitment officers), whichever is greater. Should a force's officer headcount be beyond this threshold then it will not be eligible for any of the grant available at that point.

Funding will not be rolled over from September to March, therefore if maintenance is not achieved in September, your force will not be eligible for the funding withheld at this point at the end of the financial year. The grant agreement does allow for consideration of extenuating circumstances, which will be assessed on a case-by-case basis.

Payment of these monies is subject to your acceptance of this offer and the terms and conditions of the Grant Agreement. To confirm acceptance of this offer of grant funding, please sign one copy of the Grant Agreement, ensuring that you complete the Acceptance of Grant pages and return to policeworkforcestrengthenandstrategy1@homeoffice.gov.uk by **28 June 2024**. Please retain a second copy of the Grant Agreement for your records. Please be aware that no payments will be released until receipt of the signed documentation.

If you have any questions, then please do not hesitate to contact my team at the email address above.

Yours sincerely,

Peter Spreadbury
Deputy Director
Police Workforce and Professionalism
